# How you're paid at Cresta

Base pay set by your FIDE rating, three bonuses, and raises for staying with us.

## 1 Base pay: your FIDE rating sets your rate

| | |
|---|---|
| Unrated or under 1400 | ₹300 per class |
| 1400–1499 | ₹350 per class |
| 1500–1599 | ₹400 per class |
| 1600–1799 | ₹450 per class |
| 1800 and above | ₹500 per class |

**Every class is 50 minutes**

- **Pay rises with your rating** from the month after it goes up.
- **Pay never goes down**, even if your rating falls.

## 2 Three bonuses on top of your base pay

### TOURNAMENT AWARD
**₹500**
per tournament award

Your student **wins a prize, trophy or ranked place** at a chess tournament.

Local tournaments count. Any award or rank, not only first place.

### CONSISTENCY
**₹300**
every 12 classes in a row

**You teach 12 classes in a row** with no cancellation, no-show or late start from your side.

Rewards your reliability as the coach. Any of these by you resets the count.

### FAMILY STAYS
**₹300**
per family renewal

A family **renews their lesson pack with you**, their same coach, through Cresta.

Taken back if the family is refunded within 30 days.

**₹25** consistency (₹300 ÷ 12 classes) + **₹37.50** renewals (₹300 ÷ 8-class pack) = **₹62.50** extra per class

Plus **₹500 for every tournament award**. Example: a ₹400 coach whose families all renew earns **₹462.50 a class** before tournament awards.

## 3 Grow with Cresta: +₹50 a class every 12 months
